

World Congress on

MATERIALS SCIENCE AND ENGINEERING

September 14 & 15, 2026 (In-Person)
& September 16, 2026 (Virtual)

Theme:

"Exploring the Frontiers of Materials
Science and Engineering"

Venue:

Hotel – Movenpick Hotel Budapest
Centre, Hungary

Welcome to Annual Mat 2025

We are delighted and privilege to welcome you to Annual Mat 2025, The World Congress on Materials Science and Engineering, to be held from September 14 & 15, 2026 (In-Person) & September 16, 2026 (Virtual) at Hotel – Movenpick Hotel Budapest Centre, Hungary.

As one of the premier conferences in the field, Materials Europe 2025 will feature a comprehensive program covering nanomaterials, biomaterials, computational materials science, materials chemistry and physics, and sustainable materials, among other key topics. Through thought-provoking keynote presentations, interactive panel discussions, and hands-on workshops, participants will gain insights into emerging technologies and their potential impact on society.

The conference is designed to foster interdisciplinary collaboration by bringing together experts from academia, industry, and research institutions. It provides a unique opportunity to exchange ideas, build partnerships, and explore innovativesolutions that will shape the future of materials science and engineering. Whether you are an experienced researcher or anearly-career professional, Annual Mat 2026offers an engaging environment to learn, connect, and contribute toadvancements in the field.

Budapest, often called the “Pearl of the Danube,” is a city where history and modernity blend in perfect harmony. Known for its architectural grandeur, thermal spas, and vibrant cultural scene, Budapest offers an inspiring setting for Annual Mat 2026. The Movenpick Hotel Budapest Centre, located in the heart of the city, provides state-of-the-art facilities and a welcoming atmosphere, an ideal environment for productive discussions, knowledge sharing, and meaningful networking.

Beyond the conference sessions, delegates are encouraged to experience the charm of Budapest, stroll along the Danube River, explore the majestic Buda Castle, unwind in the city's famous thermal baths, or savor authentic Hungarian cuisine in its lively cafés and restaurants.

With its blend of scientific excellence, rich culture, and warm hospitality, Budapest promises to make your participation in Annual Mat 2026both professionally rewarding and personally memorable.

We sincerely thank you for being a part of Annual Mat 2026and look forward to an engaging and successful event.

Welcome toBudapest, Hungary, and let's shape the future of materials science together!

WHY TO ATTEND Annual Mat 2026?

- **Engage with Visionary Leaders:** Connect with globally renowned researchers, industry pioneers, and materials science and engineering thought leaders.
- **Stay Ahead of the Curve:** Discover the latest breakthroughs, cutting-edge technologies, and emerging trends shaping the future of materials science.
- **Gain Fresh Perspectives:** Learn innovative approaches to solving challenges in the field and spark new ideas for your work.
- **Advance Your Expertise:** Deepen your knowledge through engaging talks, workshops, and panel discussions led by experts.
- **Expand Your Professional Network:** Build valuable connections with peers, collaborators, and potential partners from academia and industry.
- **Showcase Your Research:** Present your findings and gain feedback from a diverse audience of professionals and specialists.
- **Interact with Industry Leaders:** Meet top companies and institutions showcasing their latest products, services, and technologies.
- **Explore Career Opportunities:** Discover new markets, partnerships, and career pathways in this dynamic field.

Who Should Attend?

International conference on Materials science and Engineering is all set to bring renowned personalities from the Materials Science and Engineering community to discuss the Current and future possibilities of Mat Science combined with its challenges which lies ahead of us It brings out the gathering of the world-leading and famed academicians, commercial enterprises, foremost investigators, researchers, students to witness the futuristic ideologies put forth by way of the experts. This knowledge oriented three-day event deliberates the new strategies, convictions that will have an impact on the method of your expert development. Join us with your research and enterprise methods which will be beneficial for the development of Mankind with Materials Science and Engineering playing a major role in it.

Reasons for Annual Mat 2026

- Up-to-date research, current and emerging Nursing trends, new technologies, and tools are exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face to face with thought leaders, subject matter experts and peers. Tap into their knowledge; and discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

Key Topics of Annual Mat 2026 Conference

- Materials Science and Engineering
- Nanomaterials and Nanotechnology
- Biomaterials and Healthcare
- Catalytic Materials & Green Chemistry & Food Chemistry
- Ceramics, Polymers and Composite Materials
- Electrochemistry and X-ray Diffraction
- Textile Manufacturing and Engineering
- Electrical, Optical, Ceramics and Magnetic Materials
- Thin films, Corrosion, and degradation of materials
- Polymer Science and Technology
- Materials for Energy and Environmental Sustainability
- Graphene Technology – 3D & 2D Materials and Carbon Nanotubes
- Advanced Energy Materials
- Industrial Chemistry & Applied Chemistry
- Emerging Smart Materials
- Advances in Nano Materials Science
- Nano Materials & Nanocomposites
- Computational Materials Science
- Optoelectronics, Photonics and Magnetic materials
- Materials Chemistry, Sustainable Chemistry and Materials Physics
- Metallurgy, Corrosion, and Mining
- Surface Science and Engineering
- Emerging Trends in Materials Science
- Thin films, Corrosion, and degradation of materials
- Advances in Instrumentation Technology
- Mining, Metallurgy and Materials Science
- Advanced Materials and Devices
- Nanoporous Aerogel Materials
- Mechanics, Characterization Techniques and Equipment
- Applications in Material Science Engineering
- Chemical Synthesis and Catalysts Synthesis
- Organic, Inorganic & Physical Chemistry
- Catalysis and Chemical Reactions
- Biological & Chemical Sciences
- Chemo-informatics & Computational Chemistry
- Nano catalysis & Nano chemistry
- Semiconductors: Fundamentals to Emerging Applications
- Fibers and Composites
- Hybrid Materials and Bioinspired Materials

About Venue Budapest, Hungary

Budapest, the capital city of Hungary, is known as the “Pearl of the Danube.” The city is divided into two parts — Buda, known for its hills and historical sites, and Pest, famous for its lively streets, shops, and cafés.

It is not only an excellent place for education and international conferences, but also a wonderful city to explore and relax. Tourists enjoy visiting Buda Castle, Parliament Building, Chain Bridge, Fisherman’s Bastion, and Heroes’ Square. The thermal baths like Széchenyi and Gellért are world-famous for relaxation.

Budapest inspires learning, culture, and sightseeing while providing countless reasons to smile and explore. Whether you come for study, research, or travel, Budapest will surely impress you. It stands as one of Europe’s true gems — elegant, lively, and full of warmth. Once you visit Budapest, you’ll carry its charm and memories forever.

The image shows the Fisherman’s Bastion (Halászbástya) in Budapest, Hungary. It is a terrace in neo-Gothic and neo-Romanesque style situated on the Buda bank of the Danube River. The Fisherman’s Bastion is a neo-Gothic and neo-Romanesque style terrace located on the Buda bank of the Danube River. It was built between 1895 and 1902 and was designed by architect Frigyes Schulek.

The image shows the Hungarian Parliament Building, a neo-Gothic masterpiece located in Budapest, Hungary, on the banks of the Danube River. It is the seat of the National Assembly of Hungary and is a UNESCO World Heritage Site. The building is the tallest in Budapest and the third-largest parliament building in the world. The interior of the building is decorated with 40 kilograms of 23-carat gold.

The image shows the Széchenyi Chain Bridge in Budapest, Hungary. It is a suspension bridge that spans the Danube River, connecting the Buda and Pest sides of the city. Completed in 1849, it was the first permanent bridge to connect Buda and Pest. The bridge is a significant landmark and a symbol of Budapest’s unity and development.

The image shows the Matthias Church and the Statue of St. Stephen in Budapest Hungary. The Matthias Church is a Roman Catholic church located in the Holy Trinity Square in the Buda Castle District. The church is known for its colorful tiled roof and its long history, which includes being used as a mosque during the Turkish occupation.

The image shows the Liberty Statue (Szabadság-szobor) on Gellért Hill in Budapest, Hungary. The statue was erected in 1947 to commemorate the liberation of Hungary by the Soviet Union during World War II. It is located on Gellért Hill, which offers panoramic views of the city.

The image shows Heroes' Square (Hősök tere) in Budapest, Hungary. It is a major square known for its iconic statues and historical significance. The square features the Millennium Monument, a 36-meter column crowned by a statue of the Archangel Gabriel. Heroes' Square is located at the end of Andrassy Avenue, next to the City Park, and is flanked by the Museum of Fine Arts and the Hall of Art.

The image shows St. Stephen's Basilica, a Roman Catholic basilica in Budapest, Hungary. The basilica is named in honor of Stephen, the first King of Hungary, who ruled from 975 to 1038.

The image shows Buda Castle, a historical castle and palace complex in Budapest, Hungary. It is located on Castle Hill and overlooks the Danube river. The castle was first completed in 1265 and has been rebuilt and expanded over the centuries.

The image shows the Matthias Church in Budapest, Hungary. The official name of the church is the Church of Our Lady, but it is commonly known as Matthias Church after King Matthias Corvinus, who was a great Hungarian king.

The image shows the “Shoes on the Danube Bank” memorial in Budapest, Hungary. The memorial is a tribute to the Jews who were killed by the Arrow Cross Party during World War II.

The image shows the roof of the former Royal Postal Savings Bank in Budapest, Hungary. The building was designed by architect Ödön Lechner and completed in 1901.

The image shows the Great Market Hall, also known as the Central Market Hall, in Budapest, Hungary. It is the largest and oldest indoor market in the city, located at the end of the Váciutca pedestrian street.

Important Dates

Conference Date	September 14-16, 2026
Abstract Submission Opens	August 01, 2025
Registration Opens	August 02, 2025
Final Abstract Submission	August 31, 2026
Final Registration	August 31, 2026

Important Links

For Abstract Submission:

Conference Registrations

Registration Fee (Per Person) Academia Registration Fee:

Type	Before December 31 st , 2025	Before April 31 st , 2026	Final Call August 31 st , 2026
Only Registration	€599	€699	€799
Poster Presentation	€649	€749	€849
Listener/Delegate	€699	€799	€899

Student Registration Fee:

Type	Before December 31 st , 2025	Before April 31 st , 2026	Final Call August 31 st , 2026
Only Registration	€399	€499	€599

Sponsorship & Exhibition Registration Fee:

Type	Before December 31 st , 2025	Before April 31 st , 2026	Final Call August 31 st , 2026
Sponsorship	€2499	€2999	€3299
Exhibition	€2999	€3299	€3499

Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference
- Lunch during the conference

Conference Accommodations:

Type of Accommodations	Amount in Euros
Saver Package A (Two Nights Accommodation)	€999
Saver Package B (Three Nights Accommodation)	€1199
Saver Package C (Four Nights Accommodation)	€1399
Extra Night (Per Night)	€199
Accompany(Accompany Person)	€249

All Packages (A & B) includes:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference.

SPONSORSHIP

Annual Mat 2026 is an exciting opportunity to display the new developments, the new technologies of your company, and/or the service your industry may offer to a broad international audience. **Annual Mat 2026** delivers over 100+ attendees from over 40 countries supporting the development and commercialization of innovations in the field of Healthcare & Patient safety. As an exhibitor, you will access the medical professionals, researchers, doctors, professors, faculties and commercialization leadership that rely on your products and services to develop these new technologies.

Sponsorship Benefits	Exhibitor Benefits
• Draped booth space of 3*6 meters with priority to purchase exhibition space and choose booth location • Two conference passes & Three booth personnel passes • Web listing with link to your company website • Publication of the exhibitor profile in the souvenir (2 A4 colour pages) • Logo recognition in the scientific program, Conference banner and flyer. • Participation in the One-on-One Partnering Program • Acknowledgement during Opening Ceremony & Gala Dinner • Speaker Opportunity in the conference program • Company logo on all on-site signage • An exclusive online Promotion on all our Social Networking Sites. • Three inserts provided by the sponsor in the congress delegate bags.	• Draped booth space of 3*3 meters • One conference passes & one booth personnel pass • Web listing with link to your company website • Publication of the exhibitor profile in the souvenir (1 A4 page) • Logo recognition in the scientific program, Conference banner and flyer. • One Presentation Slot about the organization. • Advertisement Video on conference website

Who Can Exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

Why to Sponsor?

Sponsorship powerfully influences the audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

About Pagicle Ltd.

Pagicle Ltd. is a company that organizes international online and physical conferences, seminars, and workshops to facilitate knowledge sharing and networking among scholars, students, researchers, and industry professionals. Its mission is to promote collaboration and make scientific research more accessible through an open-access platform. The company organizes events across various scientific and professional fields, such as healthcare, nursing, and material science.

Company overview:

Core business: Organizing scientific and academic conferences and events.

Mission: To facilitate the dissemination of research, promote interdisciplinary collaboration, and create a dynamic space for learning through high-quality events and an open-access platform.

Attendees: A mix of academicians, professors, students, researchers, and industrialists.

Services: Planning, organizing, and executing events, and providing a platform for sharing knowledge and making research accessible.
